**Cyclist Church Parade**      The first cyclist church parade in this district was held last Sunday evening, when contingents from Devizes and Trowbridge Clubs met at Bulkington Church. The sacred edifice was crowded, the service being taken by the Rev. E. Chamberlain, M. A., who selected for his text St. Mark, 2nd chap., 2nd verse, "The Sabbath is made for men and not man for the Sabbath." The rev. gentleman in commencing his discourse heartily welcomed the cyclists.
