

# YOUR PARISH NEEDS YOU!

We are constantly being given items for transcription or for adding to the web site but this takes a lot of time to prepare for publication. However you could help us transcribe records.

Below are some of the things we are currently holding that need transcribing

To volunteer you do not need to live in Wiltshire, or even in the UK. We have OPCs and Volunteers in Australia, Canada, Holland, England, New Zealand, India, Scotland and several in Wiltshire itself!

Even if a parish is adopted then other contributors are still welcome to submit items for inclusion.

If you don't have time to transcribe you may like to contribute by:-

- donating information you may have at home – school photographs, directories, village history booklets - in fact, any historical information on a Wiltshire parish.
- taking photographs in Wiltshire – war memorials, buildings, village scenes, plaques, etc.

- photographing of cemeteries and churchyard headstone.
- Photographing of memorial plaques etc. within churches and other buildings.

You do not need to spend hours at a time working on the project. A few minutes at a time can provide masses of information.

**Our motto “What is or is not of interest to you will be of interest to someone”**

If you can help in anyway at all please contact Teresa Lewis (Administrator)

The list above is by no means complete - many smaller items need prepping for publication.
