Homington

Simms Cottage

HOMINGTON VILLAGE (south side) Simms Cottage II Detached cottage. Mid-C17 single storey with late C18 2-storey addition to west. C17 part is timber-framed with brick nogging, 2- storey part to right is Flemish bond brick, tiled roofs with brick stacks.

One and 2-storey, 3-window front. Half-glazed door to right with one 2-light casement to left, left part has two 2-light casements. First floor of right part has one 2-light casement. Right return has C20 door and casements to ground and first floors. Left return is timber-framed, with tension braces to tie beam, blocked circular window to attic. Interior not inspected, but said to have chamfered beams with ovolo stops and first floor timber-framed partition. (Unpublished records of RCHM (England), Salisbury).
