Homington

Yew Tree Cottage

HOMINGTON VILLAGE (north side) Yew Tree Cottage II Detached cottage. Late C17. Painted English bond brick, thatched roof, half-hipped to right, brick stack to left. Single-storey and attic, 2 windows. Planked central door in C20 porch with thatched roof, either side is one cast-iron casement. Two eyebrow dormers with 2-light cast-iron casements. Right return is painted chalk and flint, no windows. Some light timber-framing to rear, 2-light casements. Interior said to have chamfered beams with ogee stops, open fireplace with chamfered lintel and runout stops. Winding stairs on north side of fireplace and bread oven on south side. (Unpublished records of RCHM (England), Salisbury.)
