

Melksham v Pewsey Vale

This match was played at the Melksham ground last Friday, the result was in favour of the Pewsey Vale. The bowling of Messrs. Gray and King proved that they were up in practice, and the batting of Messrs. Gilbert and Pike added materially to the score. On the other side we noticed the bowling of Mr. Lopes produced a telling effect. Messrs. Newman and Bourne did their best to assist by scoring 13 and 15 respectively. Considering that this was the first match played by the Melksham Club this season, we trust that they will pull together and gain the victory when the return takes place.
