

Pewsey v Tidworth Cricket Match

The return match between these clubs came off last Thursday, on the Rev. F Dyson's ground at Tidworth: and the following statement of the scores shows the victory of the Pewsey Club, with 8 wickets to spare. The play on both sides was exceedingly good. The swift bowling of the Rev. F Dyson and Harraway, on the one side; and the slow and fast balls of the Messrs. King, on the other, told with extraordinary effect;- though the batting of Messrs. Holloway, Jarvis, C King and the Rev. B Astley, was skilful, and, had the wind been less boisterous, would doubtless have obtained long scores. The return match is fixed for Monday next, on Pewsey Common, when a strong contest is expected.
