

CORONERS INQUESTS

Mr. Isaac Young

On Friday a coroner's inquest was held on the body of Mr. Isaac Young, which had been discovered, on the preceding morning, lying in the water near Fisherton Mills. The jury returned a verdict of Found drowned. — It will be in the recollection of many of our readers that Mr. Young kept the Red Lion Inn in this city for a long period of years, during which he was much respected and beloved.
