

Wiltshire Passengers bound for South Australia on The Trafalgar 1854

National Library of Australia nla.pic-an20886593-46-v

The "Trafalgar" arrived from Plymouth on the 28th of June, having been at sea 114 days. She has brought 205 souls to the colony; seven births and four deaths took place during the voyage. It gives me great pleasure to state that this vessel also has arrived in very good order, and though the time of final disembarkation has not yet arrived, everything has till now gone on harmoniously.
